

REGISTRATION FOR 2013-2014 ACADEMIC YEAR STARTS NOW!

R.A.P. (Recreation Afterschool Program)

City of Santa Barbara
Parks & Recreation
Your Recreation Leader

This fee-based recreation afterschool program provides homework assistance, sports, games, crafts, clubs, field trips and special programs to children in the 1st-6th grade who attend Adams, Monroe, Roosevelt or Washington elementary schools. The RAP program opens immediately following the regular school day and operates until 5:30 pm except Roosevelt which ends at 5:15.

Registration fees:

- 30 day session registration fee: \$150*
- There are six 30 day sessions: 180 days of school
- Drop-In pass (10 days of attendance): \$70
- Daily drop-in (single, one day visit): \$10
- Scholarships are available; applications accepted after August 1, 2013

**new fee subject to approval*

Program Goals:

To provide a supervised, FUN program where children can make new friends and hang out with current friends in a relaxed afterschool environment. RAP is intended to offer parents convenience, affordability and safety, along with knowledge that their children are working on homework and being cared for by well-trained staff.

Staffing:

The RAP program is solely run by the City of Santa Barbara Parks & Recreation Department which employs between 3 and 6 program leaders and 1 site director depending on the attendance at the site. Our after school program staff to student ratio is 15:1.

Sports:

The City of Santa Barbara offers a FREE after school sports program which is a component of RAP. While this service is

also available to students who are not currently enrolled in our after school program, each site has a Sports Coach (in addition to RAP staff) who recruits and regulates the school's sport team. We offer three league sports: flag football (fall), blacktop basketball (winter) and soccer (spring). Practices take place at RAP schools and lead to games played at another location.

Enrichment:

Cooking clubs, service learning clubs, field trips, dance/cheerleading classes, arts and crafts, holiday theme days, SPARK (Sports, Play and Active Recreation for Kids) state standardized curricula: kickball, dodge ball, capture the flag, blob tag, prison ball.

SCHOOL	8/26-10/7	10/8-11/19	11/20-1/17	1/21-3/5	3/6-4/23	4/24-6/5
